**COMMENTS:**

Under uncodified law, this bill would create the Fallbrook Mexican Fruit Fly Quarantine Relief Fund and would appropriate moneys in the fund to provide relief to specified host material producers within the quarantine zone.

The March 22, 2000, amendments removed the bill's provisions that would have eliminated the appreciated property charitable contribution deduction as an item of tax preference under the Personal Income Tax Law.

This bill no longer impacts the department's programs and operations or state income tax revenue.
